## FLORICULTURE, FLOWERS – Division L

Superintendent- Lynne Smith - 541-540-6481

### RULES FOR ALL CLASSES

1. The number of stems or sprays required are shown in parentheses () after each type as listed below. **(A spray is a number of flowers or leaves on one stem or branch, a stem has a single bloom with foliage).**
2. Exhibitors will bring their clear glass jar to exhibit entry. Clear glass is desirable.
3. **Flowers must be grown and selected by the exhibitor.**
4. Exhibitors will enter in one of the four age groups (S, A, T, J) listed in the General Rules.
5. Cut your flowers in late afternoon or evening the day before they are exhibited. Place them in lukewarm water, keeping them in a dark place overnight. It is highly recommended and would be to the exhibitor's advantage to use a floral preservative powder in your water at the time of picking and arranging. There are several brands available and you can obtain them from a seed company (i.e. Springhill, etc. or on line.) By using a preservative you can easily cut your flowers 2 days ahead, particularly beneficial to those who have many entries to cut.
6. Select material in its prime, pest free, cutting stems as long as possible but proportion to the flower.
7. Flowers must carry own attached, healthy foliage. This applies to all species, asking for sprays or stems, unless marked optional.
8. Name variety of flower when possible.
9. **Roses-** Try to name your rose. Select rose with healthy stem and foliage. Blooms should be 1/2 to 2/3 open. Hybrid tea roses should be grown disbudded.
10. **Gladiolas-** Should have 1/3 open, 1/3 part open and 1/3 closed florets on long, straight stiff stem with 1 leaf. Remove side shoots.
11. **Dahlias-** Each stem should have 2 leaves, no buds, and centers showing only in single or collarette varieties. For large decorative (dinner plate) varieties, foliage is optional. Be sure to disbud close to the selected bloom to assure foliage.
12. Judging will be done on a competitive basis, determining first and second places. When in the opinion of the judge an exhibit does not merit an award, none will be given. **The decision of the judge will be final.**
